Sir next sem me hand written notes mat dena plz

He is very senior academician , he has tremendous knowledge about whole syllabus but at the other end as a student , his classes doesn't interests me that much and I am unable to understand the subject with ease .. with due respect sir gives his best but still at the receiving end .. I am unable to raise interests in whatever he tries to explain.

Sir is so knowledgeable and gentle but lacking some communication skills. Handwritten notes are not readable because of poor handwriting.

Sir you don't give hand written notes I don't understand

Sir is very good in teaching but sometimes communication skill lack and also because of this not able to understand many things and also handwritten notes and very very elaborated notes are bit difficult to understand and not interesting also to read and sir's handwriting is clearly not able to decode and also notes of many topics were not provide and questions of that topics were given in exam so we could perform well
