Sir next sem me aap jo bhi ppr lege hamara pehle uska thoda basic clear krna plz

Like I love the way he teaches but some time I feel like he is a little too fast for some topics so this can be improved in my opinion.

Discussion and tricks to qualify NET and also give information about institutes and laboratories for the dissertation. Overall liked the way of teaching..

Satisfied with Sir's teaching as he also gives real time research examples.

The level of teaching is actually very high...I was in davv affiliated college and i used to thoroughly study the full syllabus of each and every subject...but still till now i am trying so hard to cope up with this Msc level but it is really very difficult to do so ...it is very high level as compared to bsc 😞 😞.... besides this, it is very difficult to understand things online and this is the worst drawback....

Nice person always motivate us
