

# STUDENT'S FEEDBACK ON CURRICULUM M.Sc. Biotechnology I SEM, Jan.'2022

14 responses

[Publish analytics](#)

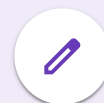

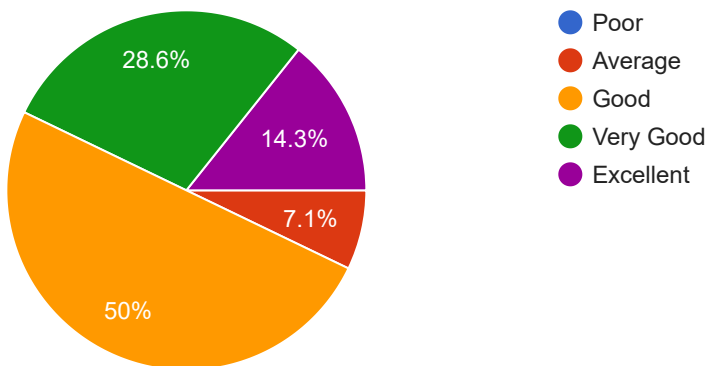

The syllabus is quite appropriate.

14 responses

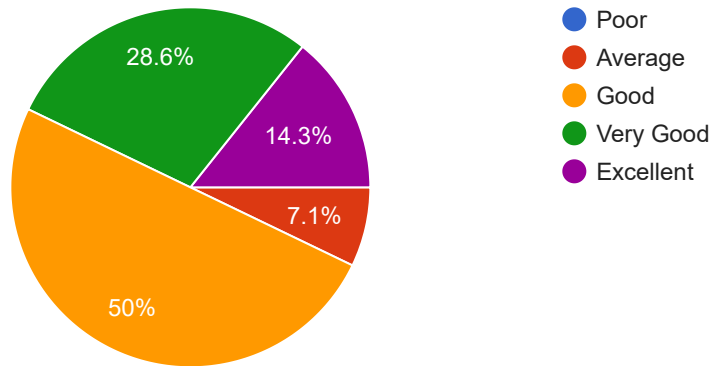

The allocation of the credits to the course is appropriate in relation to the level of course work

14 responses

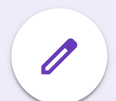

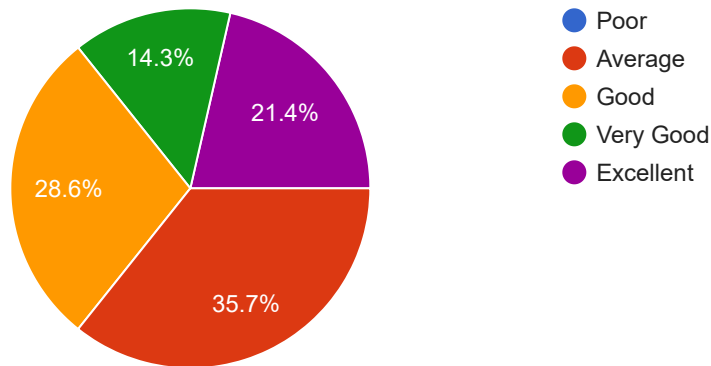

The depth of the course content is adequate in relation to the expected Course Outcomes (COs).

14 responses

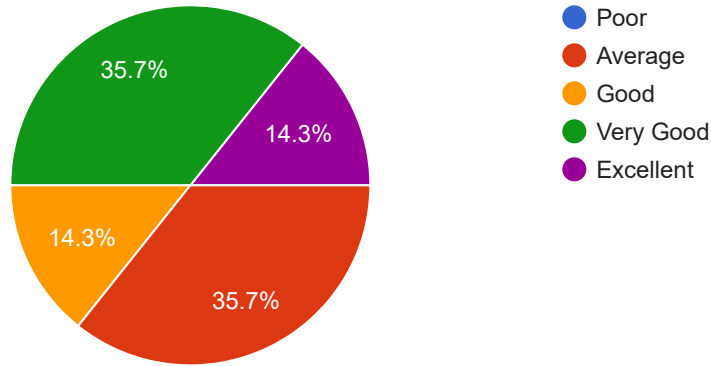

Almost entire syllabus was covered in the class by the teacher.

14 responses

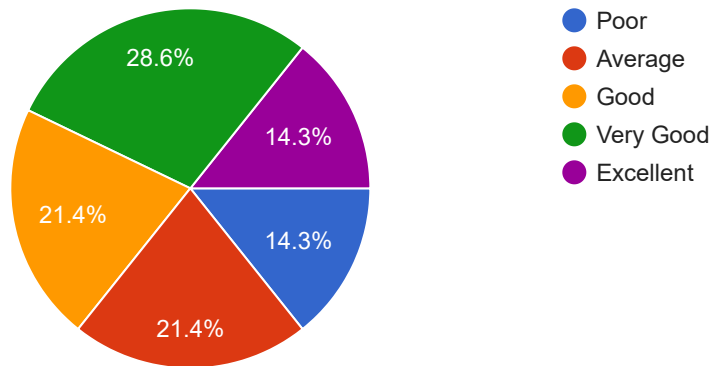

The units/sections in the syllabus are properly sequenced.

14 responses

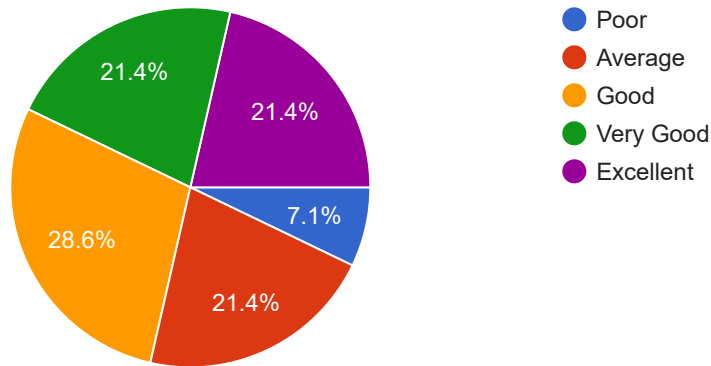

Syllabus equipped me with necessary technical skills to face the industry/academia

14 responses

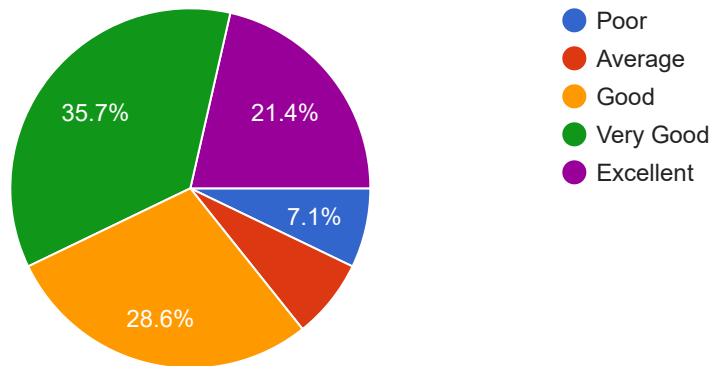

The syllabus enabled me to improve my ability to formulate, analyze and solve problems.

14 responses

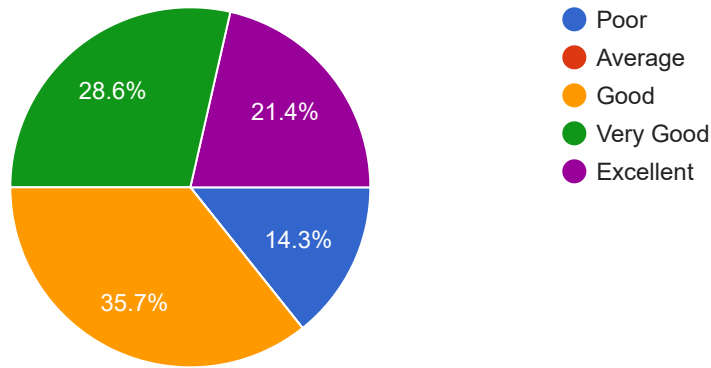

The course material is adequately available

14 responses

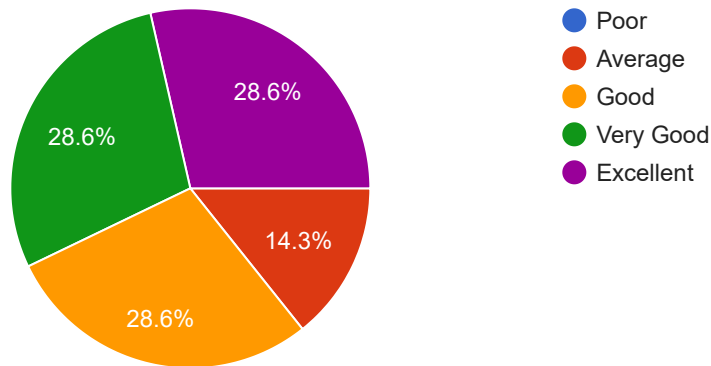

### Relevance of programme for career avenues infuture

14 responses

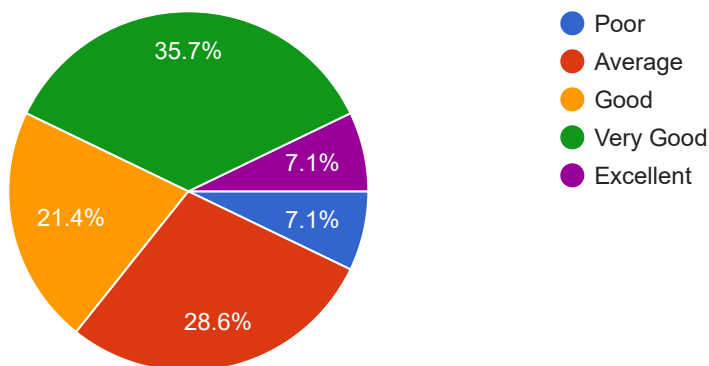

### Relevance of electives to the specialization chosen

14 responses

The laboratory experiments enhanced my understanding of the concepts and enabled me to relate theory to practice (Experiential learning).

14 responses

Suggestions/ comments, if any

1 response

Number of faculty members should be increased in my opinion. Sometimes studying with all the departments together becomes quite haphazard specifically during practicals. It become difficult to understand and perform the practical properly.
