She is my favorite teacher among all as she taught us with soo mch sweetness and in a very polite manner .

Ma'am was not punctual at all. She kept changing the time of her classes whenever she wanted. Most of the time she would get confused herself while teaching.

The explanation of topics was not given properly and the lectures were not taken on time, more over the syllabus she gave was different for different students (she told different syllabus to all students), the classes which were taken were confusing and the teacher was herself confused in all the topics and hence left us confused all together. When doubts were asked she scolded and never cleared any of them intead she demotivated the students who would ask questions and told them to br quite in her class. We were not happy with the teacher and her teaching process, as it didn't add to our understanding in any way.
