Only issue with Chetan sir is that , He had busy schedule or tight schedule everytime which means he had to teach us very furiously when ever he came . In limited time !! With limited class once a week + speed of teaching+ with some irregularities= our results will not come good by all of this Problem is.... it is our core subject in which we didn't gave time which we should have given . No doubt with Chetan sir's knowledge.....but this is the issue !
