

STUDENT'S FEEDBACK ON CURRICULUM M.Sc. Genetic Engineering II SEM, June' 2022

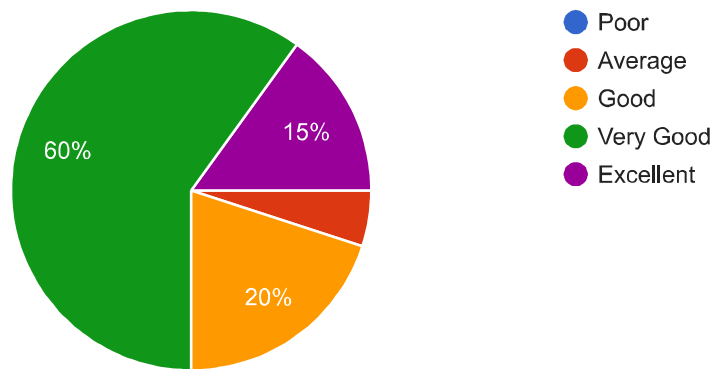

20 responses

[Publish analytics](#)

The syllabus is quite appropriate.

 Copy

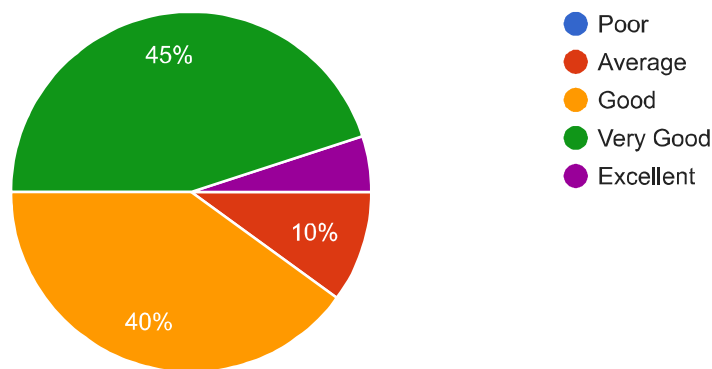

20 responses

The allocation of the credits to the course is inappropriate in relation to the level of course work

 Copy

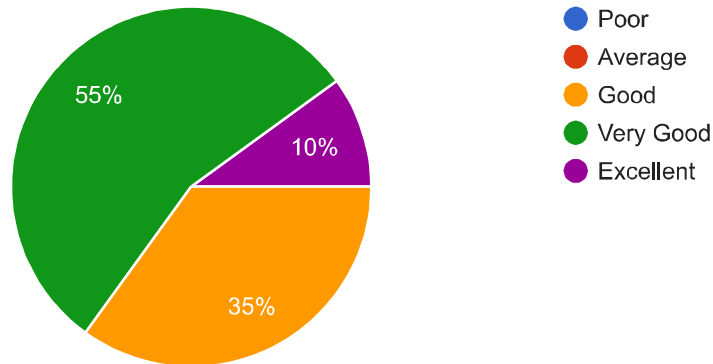

20 responses

The depth of the course content is adequate inrelation to the expected Course Outcomes (COs).

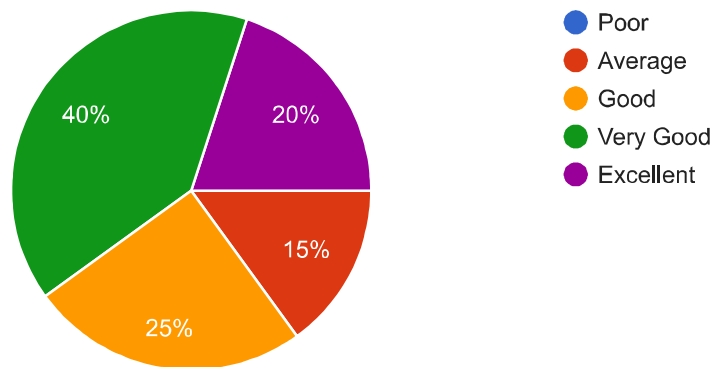

20 responses

Almost entire syllabus was covered in the class by the teacher.

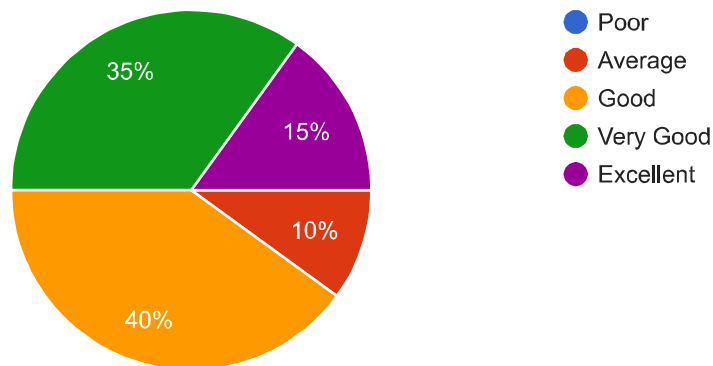

20 responses

The units/sections in the syllabus are properly sequenced.

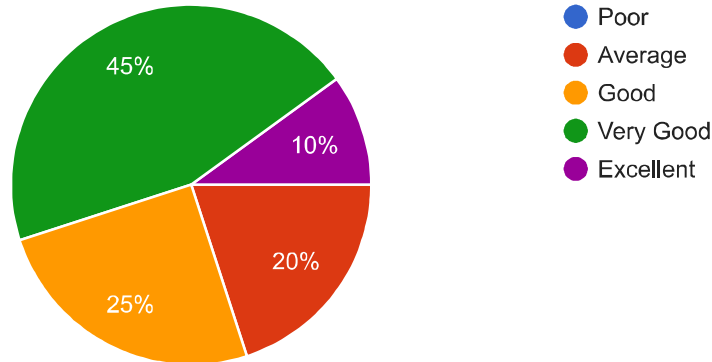

20 responses

Syllabus equipped me with necessary technical skills to face the industry/academia

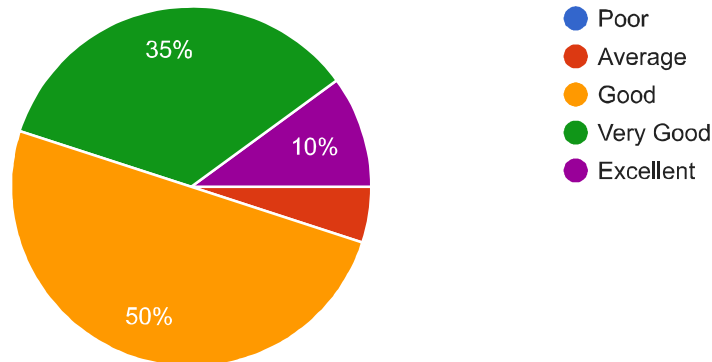

20 responses

The syllabus enabled me to improve my ability to formulate, analyze and solve problems.

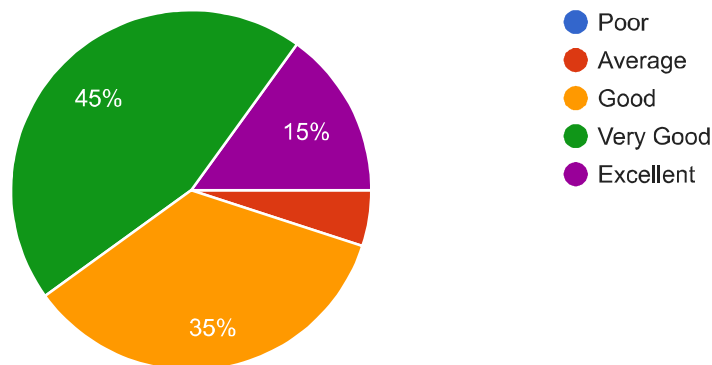

20 responses

The course material is adequately available

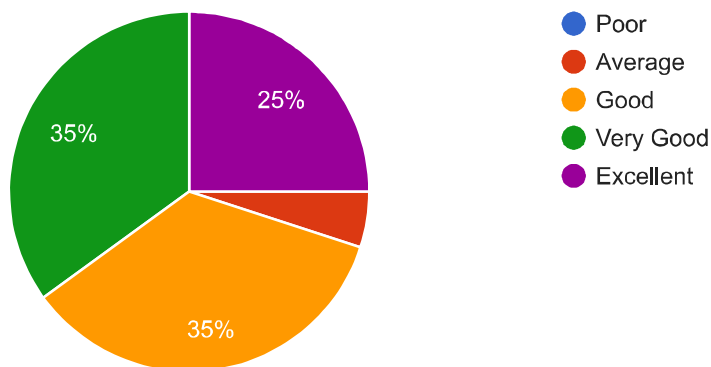

20 responses

Relevance of programme for career avenues infuture

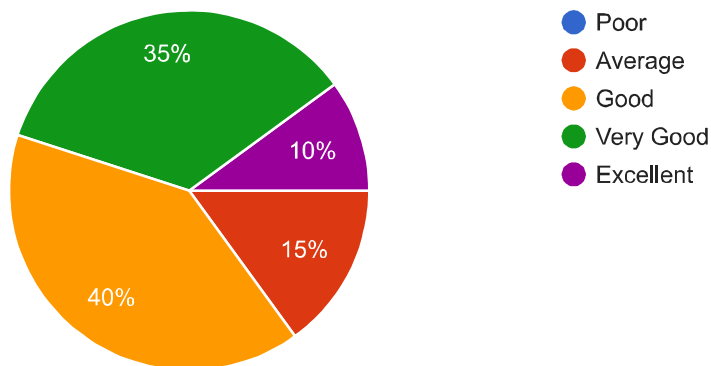

20 responses

Relevance of electives to the specialization chosen

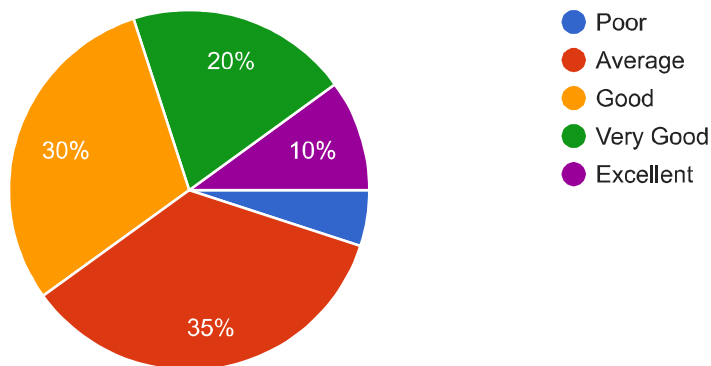

20 responses

The laboratory experiments enhanced myunderstanding of the concepts and enabled me torelate theory to practice (Experiential learning).

Suggestions/ comments, if any

6 responses

Need to improve practical knowledge

Doubt clearing session should be conducted separately.

Teachers should help us in so many different ways. Not all students are same. Some might be suffering from bad mental health so they should treat everyone equally. Otherwise we might lose our confidence and it will get worse in future.

Hope for the best...

Everything was too good in this sem such as classes, faculties , continuity and all.. I don't know how many students face to this, but i have face a problem it's not huge but still was , during practical agar hume protocol ke saath video links mile to(demonstration of experiment by animation or video like that) , that will be good for us because jab teachers explain karte hai to sab samjh me aata hai no doubt, but after a while skip ho jata hai mind se , sometimes so i can't even note 📝...

We are focusing more on theory part and not on practical part so. Please include practical as well and seminars of different faculties of different university and institute can be included. Certification programs should be conducted.
