

## **Report on Fire Safety demonstration**

A fire safety demonstration was organised in SBT on 12-2-2024. The objective of the exercise was to create awareness among the students regarding fire fighting techniques and the ways to respond swiftly in times of any emergency situation.

Expert from Srinovative Mr. Murtaza Ali Naqvi was invited to give a demonstration. He came equipped with professional fire safety equipment to sensitize the staff and the students about the life saving and rescue techniques in case of fire. He appreciated the level of preparedness by the department—the fire extinguishers at strategic points on all the three floors.

A demonstration of how to remove the pin/lock and use fire extinguisher was given after creating a small fire outside the building. All students listened to the instructions attentively, asked questions and carried our hands-on practice for use of fire extinguisher.

Head, SBT
