

Programme organized on occasion of 150th Birth Anniversary of Mahatma Gandhi at School of Biotechnology, DAVV, Indore

2-10-2019

School of Biotechnology (SBT) organized several programmes commemorating 150th Birth Anniversary of Mahatma Gandhi, Father of Nation. The programme was organized along with School of Life Science (ASC) and Human Resource Development centre (HRDC) as they have less student strength.

On 30th Sep. 2019, Rangoli competition on the theme of Gandhi ji was organized at SBT. Students enthusiastically participated in it. Prized were given for three best Rangolis. Few pictures of the competition are attached herewith.

On 1st October, Painting/Poster making/drawing competition was organized at SLS. Students from SBT and SLS actively participated in it. Prizes were given for three best paintings.

On 2nd October, Programme was organized at SBT. At 10.30, bhajans were played. At 11 AM sharp, "Samuhik Vachan" programme was carried out. Some abstracts from "Hind Swaraj" book were read out (Satyagrah, page 125, Shiksha page 133) by all students, employees and faculty. Students and Faculty took pledge for Cleanliness and No use of one-use plastic. It was followed by live show telecasted from Bhopal at 11.30 AM. This was followed by Prize distribution for winners of various competitions.

As instructed, at 12.15 AM students and faculty went for "Fit India logging run" of 1 km in the university campus. The students collected plastic waste on the way.

After the run, at 12.45 PM students and faculty went to the respective departments to carry out cleanliness drive. All rooms, labs and Garden were cleaned by making groups of students at various places.

The programme finished at 2.00 PM by giving healthy refreshments to the students. The programme was a great success and students and faculty have decided to carry out such drive once in every month.

Pictures and Videos of the programme are attached herewith.
