

Report On “VASANT UTSAV 2023”

Date: 4 February 2023

The **School Of Biotechnology, Devi Ahilya Vishwavidyalaya Indore**, joyfully celebrated the beginning of the new season '*spring*' As **VASANT UTSAV** on 4 February 2023 at seminar hall at ground floor of SBT.

'As the nature shows that spring season beautifully changes its face, fill it with a new freshment and also leave a positive impact on all the living beings', with this great thought SBT decided to welcome this new season by conducting a cultural event with lots of fun activities.

The program was collectively organized by the MSc students of all courses. All the staff members, PhD Scholars and students came in traditional attire. The department was decorated in the theme of spring with flowers and handmade crafts. A beautiful rangoli was prepared by the students.

The program started with the welcome of all the members of the department followed by Deep Prajwalan and mesmerizing Saraswati Vandana sung by the students. Respected Head Of The Department, Dr. Anjana Jajoo Mam delivered her thoughts on the importance of participation in extra-curricular activities in college life. After this, students showcased their talent like singing, dancing, stand-up comedy, poetry. Dr. Hamendra Singh Parmar sir made the program wonderful with his performance. All the performances ended with a Rajasthani folk dance '*goomer*'.

After all cultural performances, Fun activities like team games were enjoyed by all the department family members. All the games are full of knowledge and entertainment.

The program was successfully summed up with vote of thanks. Refreshment was arranged for all the members. Overall the event circulated fresh vibes of positivity, affection and togetherness amongst all members of SBT.
