DEVI AHILYA VISHWAVIDYALAYA

ACTION TAKEN REPORT OF FEEDBACK, DECEMBER' 2020

Suggestion No. 1: Students are not comfortable with online teaching and exam.

Action taken: As in Covid-19 pandemic everything is online and new for everyone, we suggested all the teachers to make their lecture for interactive and put their attention on each student for betterment of their studies.

As exams were in open book pattern, we suggested all the teachers to prepare the exam paper with some case studies and in such pattern to enhance the research skills of the students.

Suggestion No. 2: During Covid-19 pandemic everyone is facing many issues, due to which students are feeling uneasy and slowdown.

Action taken: To make everyone aware regarding Covid-19 precautions and wrong information, we regularly circulate information to students groups on whatsapp and mail.

To boost up the moral of students, our teachers regularly communicate with each and every student personally or via common discussion and activities.
