DEVI AHILYA VISHWAVIDYALAYA

ACTION TAKEN REPORT OF FEEDBACK, DECEMBER' 2022

Suggestion No. 1: More focus should be given on developing practical skills.

Action taken: For developing practical skills as per industry requirement and to enhance research skills in students, we are focusing more on hands-on practical's and will organize few Hands-on training apart from practical's in syllabus.

Suggestion No. 2: As in first semester we did not get the chance to perform offline practical, we request to arrange offline practical from second semester.

Action taken: In first semester due to online classes, it was not feasible to conduct the offline practical. From next semester we will arrange the more offline practical in accordance with the current Covid-19 situation.
