ACTION TAKEN REPORT OF FEEDBACK, JULY' 2021

Suggestion No. 1: Offline practical is necessary for the effective learning.

Action taken: Due to Covid-19 pandemic it was not feasible to conduct offline practical, but our teachers had conducted live demos of practical, explain and provide video lectures of different practical. Teachers are continuously exploring new and effective ways to conduct the practical online till we get permission for offline classes.

Suggestion No. 2: Students needs books to be issued from library but as classes are online they do not have permission to visit library.

Action taken: Take the above point in consideration we allowed the students to visit the department individually by taking prior time and get the required books issued.
