

SCHOOL OF BIOTECHNOLOGY

DEVI AHILYA VISHWAVIDYALAYA

ACTION TAKEN REPORT OF FEEDBACK, SEPTEMBER.' 2020

Suggestion No. 1: There should be some events and activities for women safety.

Action taken: The department has conducted

- [Webinar on "Awareness on Cyber Crime against Women" 25 January 2021,](#)
- [Lecture by Dr. Anjana Jajoo under the lecture series "Sashakt Naari-Sarthak Samvaad" 22 February 2021](#) and such more events are likely to be conducted.
- Department had also arranged Covid-19 Testing for the staff members, Ph.D. scholars and students working in the department during the pandemic.

Suggestion No. 2: Apart from the regular teaching some lectures/ interactive sessions should be arranged for the preparation of competitive exams and knowledge of current scenario of industries.

Action taken: As a regular practice and considering the request department has conducted several interactive sessions.

- [Online Interactive Session with Alumni on "How to Crack Competitive Exams" 03 April 2021](#)
- [Online Interactive Guest Lecture On "Bioprocess Engineering in Biotech Companies" 05 April 2021](#)

Head, Biotechnology
